Sport Rules and Procedures

The seedings for heats and finals will be decided in accordance with rule 10.9 (seeding of heats and finals) of the World Para Swimming rules and regulations.

If eight or fewer swimmers or teams enter an event, then provided the event is considered viable, a straight final will be held without the need for heats.

Athletes are not limited to using the starting blocks but can start in several different ways, i.e. in-water starts, sit starts, etc.

Athletes are not permitted to use any kind of prosthetics or assistive devices when competing. However, visually impaired athletes are allowed to use a “tapper” to be informed when the wall is approaching to ensure the safety of the athlete during the turn or finish. Team officials hold the “tapping device” and touch the athletes with the device when required.

Athletes who compete in the S11 sport class (the most severe visual impairments) must compete with blackened goggles unless they have prosthetics in both eyes.

Tiebreak rules

In the event of a tie for the eighth qualification place for a final, athletes or teams will participate in a swim-off (or another method, according to the rules agreed).

Competition rules

The para swimming competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The World Para Swimming Rules and Regulations 2023 (available at www.paralympic.org/swimming/rules).
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook).

World Para Swimming, working with Paris 2024 competition management, will be responsible for the technical control and direction of the swimming competition at the Paris 2024 Paralympic Games.

Changes since the Tokyo 2020 Paralympic Games

- The total number of events has decreased from 146 at Tokyo 2020 to 141 for Paris 2024.
- Removal of single gender relay events.
- Addition of three mixed relay events, taking the total to six: mixed 4x100m freestyle (34 points); mixed 4x50m medley (20 points); mixed 4x100m medley (34 points).
- Some differences in the event list since Tokyo 2020: the S10 class in the men’s 400m freestyle has been removed from the programme; SB7 class in the men’s 100m backstroke has been removed from the programme. The S7 class has been removed from the women’s 100m backstroke.

Differences from the Olympic Games

- No semifinals at the Paralympic Games.
- No single gender relay events. All relay events at the Paralympic Games are mixed gender.
